

*VIP PASS

2013

IDUG DB2 Tech Conferences

Orlando, Florida, USA
April 29 – May 3

Barcelona, Spain
13 – 18 October

www.IDUG.org

■ IDUG Product & Services Exhibition

Meet face-to-face with leading solution providers and discover the latest technology insight and innovations that can improve the way you do business and your return on investment. Learn how to integrate these new technologies into your existing system to enhance your database performance and take your company to the next level.

■ Stay for the Conference and Experience IDUG

IDUG not only provides you with essential information needed for long-term career success, but addresses timely topics of interest as determined by your peers and customers who share many of the same challenges as you.

- Online Access to more than 150 hours of technical DB2 content
- Admission to all official conference networking events, meals and receptions
- Complete conference proceedings
- FREE Certification testing**
- IBM Developer Panel Sessions
- Special Interest Groups
- Vendor Solution Presentations
- Hands-on Training**

***Please Note:** This VIP Pass does not include admission to any conference sessions or meals. A separate registration is required to attend the technical sessions and benefit from the entire conference schedule. Please visit www.idug.org for more details. **Availability may differ at some locations.

The International DB2 Users Group (IDUG®) is an independent, not-for-profit, user-run organization whose mission is to support and strengthen the information services community by providing the highest quality education and services designed to promote the effective utilization of the DB2 family of products.

VIP Pass to be used for customers only. Not valid for additional booth registrations or guest/spouse registrations. Additional registrations and guest/spouse registrations can be purchased by visiting www.IDUG.org
